CIOFS - FP LOMBARDIA

Salesian VET in Italy

Introduction

THE LOMBARDIA NET

CIOFS-FP Lombardia is a VET institute, present on Italian regional territory of Lombardy with six accredited local institutes for vocational training and employment services, dislocated in four provinces: Milano, Monza e Brianza, Pavia and Varese.

THE NATIONAL COORDINATION

CIOFS FP Lombardia coordinates nationally with the CIOFS-FP Association which aims to support regional associations, present in 12 Italian regions.

Map by Fla-shop.com

PROFESSIONAL FIELDS

The association carries out professional training activities in the following sectors:

- ❑ Hairdressing and wellness
- ❑ Catering and bars
- ❑ Bakery and pastry
- ❑ Sales and office work
- ❑ Promotion and reception services

OUR STUDENTS-WORKERS

In the training year 2019/20, above 1.000 students were enrolled in the triennial courses and above 300 students in the fourth year courses. Among these, 84 students are young people who have obtained the qualification or professional diploma through the first level apprenticeship.

OUR STAFF

The Association avails itself of the collaboration of about 100 employed teachers and 30 office employees. Funding for the activities carried out in 2019/20 exceeded 6 million euros.

ERASMUS+ contact persons

PAOLO ROVIDA

Trainer, tutor and coordinator at CIOFS-FP in Pavia since 2000, has always been involved in ICT training and coordination of hairdressing courses. Since 2015 he has been the contact person for the First Level Apprenticeship and is also in charge of managing relations with companies and local authorities for the development of shared vocational training networks. His university education in computer engineering has always been accompanied by skills in the artistic and musical field allowing him to structure and implement alternative educational interventions for adolescents and young.

ERASMUS+ contact persons

NICOLE TURATI

After graduating in philosophy, she worked for a few months in New York as a marketing and public relations officer at the Italian Institute of Culture on behalf of Ministry of Foreign Affairs. Back in Italy she has always taught in Vocational Training Centres. After the master in communication for International relations, she's obtaining the second degree in psychology of the organizations and the job. Currently she works for CIOFS-FP in Cesano Maderno (MB) as teacher and contact person for employment guidance and services.
