Vocational education for about 30.000 students in 96 separate schools.

The 96 school are located in 13 different locations in Amsterdam and surroundings

Our location is in the south of the city, near the RAI congress center

# ROC van Amsterdam

In our building we have 12 separate schools

Besides hairdressing we also offer education in Sports, Music, Dance, accountancy and other aspects of beauty

We are located about 10 kilometers away from Frank and Eva at Stivako

At ROCvA we are the largest hairdressing school of the Netherlands. We have just over 500 students and a team of 43 people. We offer education at all 4 levels, from very basic to salon manager.

In this year, and this will be the same for most of you; we are mostly surviving covid-19 in the last year.

In this project, Green Salon II, I am joined by Wendy and Frans who will introduce themselves.
